	up with Ian Marr, Community Broadband Project Manager, from Superfast North
	Yorkshire. Ian Marr informed the Parish Council, that Ingleby Greenhow is currently planned to be upgraded under their current phase 2 which is due to be delivered by the
	end of June 2017. Battersby Junction is close enough to gain some benefit.
	Old Battersby is too far away to benefit as the superfast service fades out after
	about 1.2km.
	If residents from Ingleby Greenhow and Battersby Junction register on the SFNY
	website they would receive an email letting them know when the service has gone live.
	The company are just starting the procurement for a phase 3, but they are about
	a year away from awarding and it will be sometime before they had the understanding of the communities it will reach, and if it would include Old Battersby.
	Residents may be able to get a service from Boundless Network who run a
	wireless broadband service in the village around Stokesley.
	http://www.boundlessnetworks.co.uk
	Copy of the email received from Ian Marr had been send to Mrs S. McInnes. H. D.C. Cllr R. Hudson agreed also to look into superfast broadband in this area.
