

INGLEBY GREENHOW CE SCHOOL

We are almost at the end of another very busy term at school. We have enjoyed participating in lots of sporting events at Stokesley School where we have had the opportunity to meet up with our friends from the other local schools.

Many thanks to Daniel Matuszak who came to school to organise pancake races for us despite the horizontal snow showers!

On World Book Day we dressed up as our favourite book characters and did lots of book related activities finishing off with a reading café at the end of the day.

The children in Year 3/4 have loved reading Charlie and the Chocolate Factory and have produced some fantastic written work - diaries, newspaper articles and character descriptions. After the holidays they will read the rest of the book and design their own sweets as well as learn about the Aztecs and their discovery of chocolate.

The Y5/6 children have really enjoyed their Romeo and Juliet topic. There are potentially lots of budding actors who could get involved in drama at Stokesley School in the future. After Easter the children will be preparing for their Y6 SATS as well as doing some poetry in their English lessons.

Mrs Taylor's class are still excited about watching the birds on a daily basis having completed the RSPB Big Birdwatch. Their favourite birds are the goldfinches and the long-tailed tits. The children are busy reading the books about Harry and the Bucketful of Dinosaurs. After Easter they will be learning all about dinosaurs and it will certainly be fun trying to pronounce all their different names!

We would like to welcome our new cook, Laura Cuthbert, to our team at school. The meals have been delicious and we hope that she is very happy at Ingleby.

Thank you to everyone in the community for all their help and support. Happy Easter!

We are delighted to inform you that the new website for **Ingleby Greenhow & Easby Village Hall** is now fully operational and can be accessed via the following address:

inglebygreenhowandeasbyvillagehall.org.uk

In addition to a clear, modern look the website has an enhanced booking process. Users and potential users are able to see at a glance whether the Hall or Meeting Room are available on their required dates. By clicking the + sign on the relevant date a Booking Request form will open. The User is required to either create a login or enter their existing login details. They are then directed to a page for completing details of their booking request. Comprehensive notes for the completion of the form are provided on the same page. An automated message from the website will notify the Lettings Secretary and the user will receive a prompt response confirming their booking.
